

SPORT CLUBS PARTICIPANTS STANDARDS OF CONDUCT

As students of Texas A&M University, sport club members have an obligation to conduct themselves and their organization in a manner compatible with the University's philosophy and function as an educational institution. Members of sport clubs are expected to act in a mature and responsible manner both on and off campus and especially while participating in club activities.

As a member of a Texas A&M University Sport Club, I agree to abide by the following:

- I will conduct myself accordingly, responsibly, and professionally, at any and all Texas A&M Sport Club sponsored activities. These include home and away matches, as well as any extracurricular club related activities.
- I understand that my actions may adversely affect my team, the Sport Club program, Department of Recreational Sports, and Texas A&M University.
- I will represent the Texas A&M Department of Rec Sports and my team in a professional and positive manner.
- I will show respect to all competition officials, opposing team members, spectators, and Texas A&M Recreational Sports employees and Texas A&M employees.
- I will adhere to the policies and procedures outlined in the Sport Club Handbook and Texas A&M Student Rules.
- I will take an active role within my own club by attending club activities, by abiding by the club constitution, and having a positive attitude within my club.
- I will abide by the University Student Rules on alcohol and hazing. I also understand that failure to comply will adversely affect my team and me.
- I will not consume alcoholic beverages during any club related activity or during a club related trip (club related trips begin when the club leaves campus and ends once they return to campus).
- I understand that my actions may adversely affect my standing as a student at Texas A&M University as well as my ability to participate in any of the aforementioned programs

I understand that if I do not adhere to the above guidelines or engage in inappropriate conduct or actions while participating in any sport club related activity, this will jeopardize my club's continued status as a recognized sport club. Furthermore, I understand that if I participate in inappropriate activity which violates University Student Rules, University policies, campus regulations, or state or federal laws, I will be subject to disciplinary action by the Department of Recreational Sports, Texas A&M University and/or appropriate legal authorities.

I have read and understand the above Sport Club Standards of Conduct, and with my signature, agree to abide by its contents.
